Dear Members,

I would like to wish each one of you a very happy and prosperous Eid-ul-Adha and hope that each of you thoroughly enjoyed the long weekend of Eid. In the previous month your Managing Committee had organized some of the most fabulous programs for the members and still endeavoring to organize more programs, some of which have already been disclosed and the members are all excited to attend. The Managing Committee tries and ensures to leave no stone unturned to entertain the members and in return wish that members enjoy the programs that have volunteer and backbreaking efforts of our Sub-Committees behind its arrangements.

I would like to facilitate our members (especially lady members) on the renovation of Steam, Sauna and Jacuzzi which had been a longstanding dream and finally become true. Yet there are many projects in the pipeline and ongoing which shall be completed soon Insha Allah. As always I wish to remind you that we are open to suggestions that are highly valuable to us and make it easier for us to achieve our objectives and goals more precisely. Kindly send you suggestions and contributions to the Magazine.

Once again A Very Happy Eid to all of you.

Eid-ul-Adha

Eid-ul-Adha or "Festival of Sacrifice" or "Greater Eid" is an important religious holiday celebrated by Muslims all over the world to commemorate the willingness of Abraham (Ibrahim) to sacrifice his son Ishmael (Isma'il) as an act of obedience to God, before God intervened to provide him with a ram to sacrifice instead. The meat is divided into three parts: the family retains one third of the share, another third is stored and the other third is given to the poor and needy. Eid ul-Adha is the latter of two Eid festivals celebrated by Muslims, the first being Eid ul-Fitr. Like Eid ul Fitr, Eid, ul-Adha begins with a prayer followed by a sermon. Eid ul-Adha is celebrated annually on the 10th day of the 12th and the last Islamic month of Dhu al-Hijjah of the lunar Islamic calendar. Eid ul-Adha celebrations start after the Hajj, the annual pilgrimage to Mecca in Saudi Arabia by Muslims worldwide. The date is approximately 70 days (2 Months and 10 days) after the end of the month of Ramadan. Ritual observance of the holiday lasts until sunset of the 13th day of Dhu al-Hijjah.
